STATEMENT OF PROSECUTION CORRESPONDENCE FROM RELATED CASES

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

To comply with the requirements of *McKesson Information Solutions v. Bridge Medical*, 487 F.3d 897 (Fed. Cir. 2007), Applicants have enclosed a list of applications and prosecution correspondence associated with those applications that may be related to the present application. The prosecution correspondence may include office actions, office action responses, notices of allowance, issue notifications, and/or prosecution correspondence presented in related case(s). However, no representation is made that any supplied prosecution correspondence may be "prior art" within the meaning of that term under 35 U.S.C. §§ 102 or 103.

The attached pages provide bibliographic information and the transaction history for each referenced, co-pending, commonly-assigned application. The attached

information has been obtained from the Office's PAIR system. Copies of the documents are not provided in view of the ready accessibility of the prosecution correspondence by the Examiner.

Respectfully submitted,

Dated: July 31, 2009
